

Prohibition Rosé

TEXAS HIGH PLAINS · 2020

100% Cinsault Rosé

TASTING NOTES

This varietal specific rosé is rich in aromas of Brownfield watermelon patches with both sweet fresh fruit notes and young delicate aromas of green watermelon rind; accompanied by home grown sugared strawberries. Bright fruit flavors of delicate navel orange zest and honeydew melon.

FOOD PAIRINGS

Pair with paella, herbed lamb, and of course Evie Mae's BBQ. Texas Rosé wines are brilliant when paired with local smokey rich meats.
